NOTIFICATION

Dated Kohima, the 16th May, 2024.

NO.HOME/J-46/99(Pt-I)138:: Whereas the National Human Rights Commission has, vide its letter No.233/10/97-98(FC) dated 26.09.2003, decided to modify paras 3 & 4 of its guidelines issued vide its letter of even number dated 08.11.1999 for premature release of prisoners undergoing life imprisonment and recommended for conformity of existing practice and procedure in accordance with the revised guidelines.

And whereas, the State Government resolves to adopt the said revised guidelines in supersession to its Notification NO.HOME/J-46/99 dated 16.05.2001.

Therefore, the State Government adopts the recommended guidelines as here under:-

1. COMPOSITION OF THE STATE SENTENCE REVIEW BOARDS

A Review Board is hereby constituted for the review of sentence awarded to a prisoner and for recommending his/her premature release in the concerned cases.

The Review Board shall be a permanent body having the following constitution:

- | | |
|--|--------------------|
| 1. Minister incharge, Jail Department | - Chairman |
| 2. Home Commissioner | - Member |
| 3. Secretary, Law (Remembrancer) | - Member |
| 4. A District & Session Judge nominated
by the High Court | - Member |
| 5. A senior police officer nominated
by the DG of Police not below the rank of IG | - Member |
| 6. Inspector General of Prisons | - Member Secretary |

The recommendation of the Sentence Review Board shall not be invalid merely by reason of any vacancy in the Board or the inability of any Member to attend the Board meeting. The meeting of the Board shall not however be held, if the quorum is less than four Members including the Chairman.

2. PERIODICITY OF THE BOARD'S MEETINGS

The State Sentence Review Board shall meet at least once quarterly.

However, it shall be open to the Chairperson of the Board to convene a meeting of the Board more frequently as may be deemed necessary.

3. ELIGIBILITY FOR PREMATURE RELEASE

- 3.1 Every convicted prisoner whether male or female undergoing sentence of life imprisonment and covered by the provisions of Section 433A Cr.PC shall be eligible to be considered for premature release from the prison immediately after

serving out the sentence of 14 years of actual imprisonment i.e. without the remissions. It is, however, clarified that completion of 14 years in prison by itself would not entitle a convict to automatic release from the prison and the Sentence Review Board shall have the discretion to release a convict, at an appropriate time in all cases considering the circumstances in which the crime was committed and other relevant factors like;

- a) whether the convict has lost his potential for committing crime considering his overall conduct in jail during the 14 year's incarceration;
- b) the possibility of reclaiming the convict as a useful member of the society; and
- c) Socio-economic condition of the convict's family.

With a view to bring about uniformity, the State/UT Governments are, therefore, advised to prescribe the total period of imprisonment to be undergone including remissions, subject to a minimum of 14 years of actual imprisonment before the convict prisoner is released. The Commission is of the view that total period of incarceration including remissions in such cases should ordinarily not exceed 20 years.

Section 433A was enacted to deny premature release before completion of 14 years of actual incarceration to such convicts as stand convicted of a capital offence. The Commission is of the view that within this category a reasonable classification can be made on the basis of the magnitude, brutality and gravity of the offence for which the convict was sentenced to life imprisonment. Certain categories of convicted prisoners undergoing life sentence would be entitled to be considered for premature release only after undergoing imprisonment for 20 years including remissions. The period of incarceration inclusive of remissions even in such cases should not exceed 25 years. Following categories are mentioned in this connection by way of illustration and are not to be taken as an exhaustive list of such categories:

- a) Convicts who have been imprisoned for life for murder in heinous cases such as murder with rape, murder with dacoity, murder involving an offence under the Protection of Civil Rights Act 1955, murder for dowry, murder of a child below 14 years of age, multiple murder, murder committed after conviction while inside the jail, murder during parole, murder in a terrorist incident, murder in smuggling operation, murder of a public servant on duty.
- b) Gangsters, contract killers, smugglers, drug traffickers, racketeers awarded life imprisonment for committing murders as also the perpetrators of murder committed with pre-meditation and with exceptional violence or perversity.
- c) Convicts whose death sentence has been commuted to life imprisonment.

- 3.2 All other convicted male prisoners not covered by section 433A Cr.PC undergoing the sentence of life imprisonment would be entitled to be considered for premature release after they have served at least 14 years of imprisonment inclusive of remission but only after completion of 10 years actual imprisonment i.e. without remissions.
